### 2020 OUTLOOK

This year started with a celebratory ribbon cutting for our Eden Branch located in the beautiful Ogden Valley. We have announced new branches for Bluffdale on Redwood Road and in the Sun River Development of St George. Plus, we have plans to relocate the Orem branch in the spring, and the North Logan branch in the fall. In addition, our branches in Downtown Salt Lake City and in Murray will be re-branded from Healthcare Credit Union to Goldenwest Credit Union.

We are in the final months of implementing a new multi-channel account opening and loan origination system. Our members will soon enjoy a best-in-class experience wherever and whenever you apply for a deposit account or a loan product – regardless if you are at a branch, on your laptop, using your mobile phone, or calling our member contact center.

For our business members, we have several new product launches that will take place mid-year. Stay tuned for exciting announcements coming soon.

We are always mindful that our Credit Union's success would not be possible without the loyalty of our members and the efforts of our talented employees. Furthermore, we are appreciative of our Board of Directors and Supervisory Committee who volunteer their time and expertise on behalf of our members.

Thanks to everyone who readily lends their support and resources to our Credit Union family. Together, we will reach new heights in 2020!

# GOVERNANCE COMMITTEE REPORT

## *Board of Directors Election*

The Governance Committee approved Statements of Qualification from four nominees for the three open Board of Directors positions in the 2020 election. The nominees are:

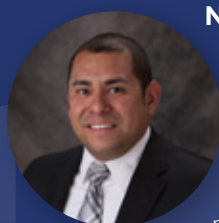

**Brandon Hendrickson** *Incumbent*

Brandon Hendrickson has served on the Board of Directors for Goldenwest Credit Union since the USU Charter Credit Union merger. Prior to the merger, he volunteered on the USU Credit Union Board of Directors for two and a half years. Brandon brings a wealth of knowledge and valuable insight to the Board. Brandon attended USU where he received a Bachelor's Degree in Accounting and Finance and a Master's Degree in Accounting. He is a CPA currently working for Campbell Scientific in Cache Valley, and is also an avid USU sports fan. When Brandon is not working or volunteering he enjoys spending time with his wife, Britt, and their three children.

**Tad Neuenswander** *Incumbent*

I have been a member of Goldenwest Credit Union for more than 40 years. I have a vested interest in ensuring that Goldenwest continues to operate successfully for many years to come. I currently work for Hewlett Packard Enterprise as an Enterprise Account Executive. I possess a strong background in business and technology. I have a B.A. from Weber State University in Business Administration and a MBA from Westminster College. I feel that my business and technology background will enable me to ensure the right oversight, continuity and stability of Goldenwest, as well as high quality services for its members. I would love the opportunity to continue to serve the members of Goldenwest Credit Union.

**Noé Vázquez** *Incumbent*

A lifelong member of Goldenwest Credit Union, Noé has served as a volunteer since 2013 – first as a Supervisory Committee Member and more recently on the Board of Directors.

Noé possesses over 17 years of professional management and leadership experience he gained as an aviation officer in the Utah National Guard. He served three combat deployments in support of Operation Iraqi Freedom, Enduring Freedom, and most recently, Operation Inherent Resolve. His experience affords him a broad range of knowledge and skills that helps him positively contribute to the success of Goldenwest and its members.

Noé is a graduate of Weber State University and holds a Bachelor of Science Degree in Microbiology. As an Army Aviator, Noé holds various rotary-wing aircraft and FAA qualifications, and is an active member of various professional organizations. In his spare time, Noé enjoys spending time with his wife and their three children.

**Roland Whitesides**

Roland has been in the credit union industry for the past 43 years, retiring in 2018 and is passionate about the credit union motto "People Helping People". He has lobbied in Washington D.C. for credit unions' rights to be tax exempt. His Degree in Communications/Political Science would be invaluable with the affairs of the credit union and uphold the strategic planning of its future.

Roland has experience in Business Lending, SBA loans, Mortgage loans, and Collections. He understands how to read financial statements and the importance of capital ratio for the credit union. He loves spending time with his wife, children, grandchildren, and enjoys sports traveling and playing golf.

Roland stands committed to listen, do, and serve the members of Goldenwest Credit Union. He would be an invaluable asset to the Board of Directors for Goldenwest Credit Union and would appreciate your consideration and your vote.

# BRANCH OPENING IN EDEN

Goldenwest kicked off 2020 with new branch opening in the Ogden Valley. A ribbon cutting and grand opening celebration was held on February 5th for the full-service office located at 2461 N Highway 158 in Eden.

“The enthusiasm we have received from the residents of Ogden Valley for this Goldenwest office has been amazing,” said Kerry Wahlen, Goldenwest President/CEO and local Ogden Valley resident. “If you need anything from our Eden Branch team, you can find our personal cell phone numbers in the Goldenwest ads published in the *Ogden Valley News*.”

Wahlen noted that all of the Goldenwest staff members working at the Eden Branch live in Ogden Valley, stating “We are your neighbors, and we couldn’t be more excited to bring our Credit Union to this area.”

Goldenwest Board Chairman Bill Hart, joined Wahlen, other Board members, Credit Union officers, managers and employees to officially open the new branch. Weber County Commissioner Gage Froerer and the Ogden/Weber Chamber of Commerce Spikers also participated in the ribbon cutting ceremony.

“Goldenwest will be a great contribution to our community,” added Commissioner Froerer.

Andrea Summerhays has been selected to supervise all branch activity and originate mortgages. Tyler Holbrook will provide insurance services from the new office.

The Eden branch features drive-thru teller lanes and ATM, a Personal Teller Machine in the lobby as well as traditional teller stations. The branch offers a full range of services including vehicle loans, mortgages, lines of credit, insurance, free checking, and instant-issue Visa cards.
