

# MEMBERS EARN \$2 MILLION WITH BONUS DIVIDEND

**Kerry Wahlen**  
President/CEO

Our commitment to providing high-return-to-member will be demonstrated for the 16th consecutive year by Goldenwest Credit Union awarding more than \$2 million with a Bonus Dividend. Since 2004, the Bonus Dividend program has surpassed \$15 million in direct earnings for our members. This year marks the highest Bonus Dividend payment in Goldenwest history.

“As a Board of Directors, we have placed great importance on enriching the value of your Credit Union membership,” said Bill Hart, Chairman of the Board. “I’m delighted to report that we have governed and planned in a manner permitting us to declare a record-breaking Dividend while sufficiently protecting the assets of the Credit Union and planning for future growth.”

The 2019 Bonus Dividend is a one-time dividend of 4.40% Annual Percentage Yield (APY) that will be paid over and above the stated monthly dividend of 0.10% APY. Members will earn 4.50% APY for the month of December on primary shares, secondary shares, Christmas Club shares, and IRA shares. Dividend earning amounts will vary by member based on the average daily balance in their individual accounts over the course of the year.

“The Goldenwest Bonus Dividend is the quintessential example of what being a member of a not-for-profit financial cooperative is all about,” said Kerry Wahlen, President/CEO.

“With the leadership and support of the Board, we have built our program to provide an additional means by which all member-owners share in the success of their Credit Union.”

Wahlen stated the Bonus Dividend is one of the many ways Goldenwest is accomplishing the Credit Union’s initiative of providing more benefits to loyal members.

“In 2019, we enhanced our President’s Club program to provide higher earnings up to 0.25% on Certificates,” continued Wahlen.

“Plus, we introduced Reward Yourself Checking giving members the opportunity to receive a 0.25% discount on auto loans and earn bonus Extra Awards points on Visa Credit and Debit card purchases.”

There has never been a better time to join Goldenwest, or strengthen your current membership by adding new products and services to your account. You are invited to fully participate in the Credit Union, and take advantage of every money-saving opportunity Goldenwest provides to you, your family, and your business.

Cheerful holiday greetings to each of you during this glorious holiday season! May your celebrations be filled with peace and hope as we embark upon the New Year.

# NEW BRANCH IN ST. GEORGE

Goldenwest Credit Union is pleased to be serving members at a new branch located in the heart of the Washington County financial district at 120 East St George Boulevard. This is the Credit Union's third branch office in St. George.

"The support and enthusiasm we have received from our members for this new office has been incredible," said Kerry Wahlen, President/CEO. "This branch location was strategically selected to better serve the business community of Washington County, as well as our 6,500 members living in Southern Utah."

Credit Union volunteers, officers, and employees were joined by the St. George Chamber of Commerce and local dignitaries to officially open the new branch at a ribbon cutting on October 18, 2019.

Regional Vice President Kelly Blake will oversee all branch operations and originate mortgages from the new office. Blake, who joined the Goldenwest management team in 2011, has more than 30 years of experience in consumer and commercial lending in Southern Utah.

This new branch offers a hybrid service model where members can receive one-on-one attention as well as experience new banking technology with a self-service Personal Teller Machine (PTM). The Credit Union's staff is on-site to assist with transactions on the PTM or at the traditional teller stations.

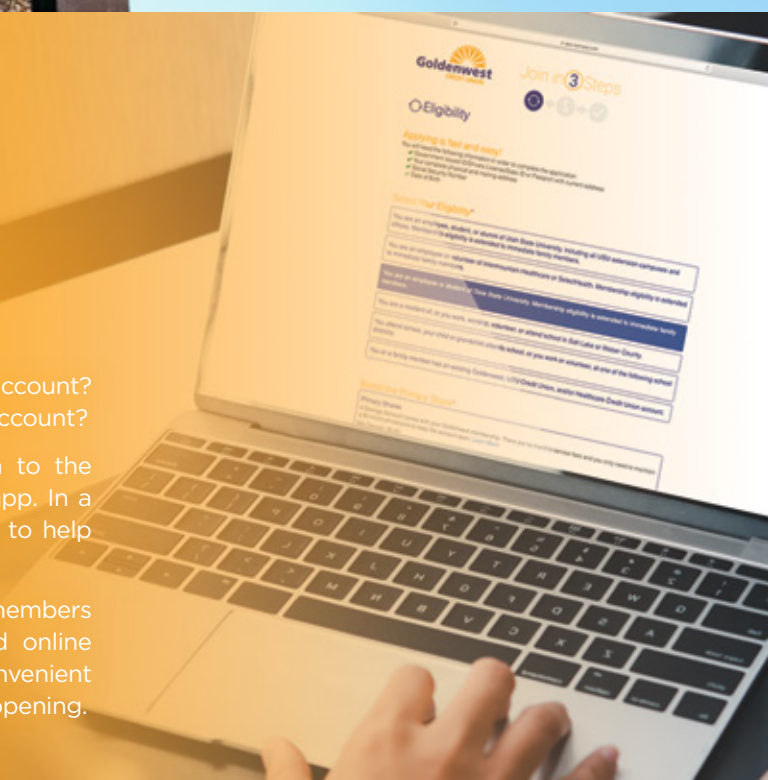

The branch also features drive-thru teller lanes, a drive-thru Co-op Network ATM and offers a full range of services including vehicle loans, mortgages, lines of credit, insurance, free checking, and instant-issue Visa cards.

# RETIREMENT ROLLOVER

**What should you do with your retirement savings when you retire? You have choices.**

1. You can do nothing. Just let the money stay invested until age 70 1/2, when you must take at least minimum distributions. (Rolling over a plan to an IRA does not protect against market risk.)
2. You can withdraw the money. But if you do, you will pay income taxes on the distribution.
3. You can arrange a rollover of your retirement plan assets into the retirement plan at your new workplace (provided your new employer sponsors a retirement plan and the plan allows this).
4. Or, you can utilize a direct rollover into an individual retirement account (IRA) and have an active say in what happens with those assets.\*

**Don't risk retiring without knowing all your options.**

Learn more about these choices before you retire. Call us at 801.786.8011, and we'll discuss how you can potentially grow and stretch your retirement money over the length of your life, and invest conservatively to live well and manage your tax burden.
