The minimum opening balance to open a Business Checking account is \$100. No minimum monthly balance is required to maintain the account. The Business Checking account offers a tiered Annual Percentage Yield (APY) on checking balances. Please refer to our website: gwcuc.org/accounts/businesschecking for current dividend rates. Dividends will be compounded monthly, and credited to your account monthly. A monthly fee of \$10 will be assessed on the Business Checking account. Fee may be waived with monthly credits based on other product relationships with the Credit Union. Please refer to gwcuc.org/accounts/businesschecking for a complete list of fees associated with the account.
